

Investec Bursary Scholarships 2019

Investec Bursary Scholarships 2019

Grade 12s or in their first year of University can apply

Investec offers a full bursary per year towards study-related expenses. Bursaries will only be offered to applicants who are currently in Grade 12 or in their first year of University.

Investec Bursary Scholarships

Our CSI strategy is aimed at facilitating the empowerment of talented individuals within a defined continuum of interventions including bursaries and other programmes through school and university to the workplace, so that they may realise their potential.

Instructions for submission of application forms

Applications will only be considered if completed in full and signed by the applicant and if all the supporting documents have been included.

- Documents that accompany the application form must be

certified

- South African ID
- Grade 11 results
- This year's June results (or your latest results if you are not studying this year)
- Official Matric/ NSC results if you have completed Grade 12
- Tertiary students: June results or progress report of all subjects (if no examinations were written)
- Payslips for your parent(s)/ guardian if employed (or letter from employer and sworn statement or tax return statement stating income)
- Latest financial statements if your parent/ guardian is self-employed
- Sworn affidavits if your parent(s)/ guardian is/ are unemployed
- Death certificates if your parent(s) is/ are deceased
- Divorce certificate if your parents are divorced
- Sworn statement from one parent if your parents are separated

Selection criteria for selected educational institutions

The main criteria for the selection of applications are financial need and academic potential.

Bursary applications are invited from young people who aim to study full time towards an undergraduate university (academic) degree in:

- Commerce (Economics, Business Economics, Accounting, Investments and Finance),
- BCom Informatics,
- BSc Computer Science,
- BSc Information Technology,
- BIT-Bachelors of Information Technology,
- BIS-Bachelor of Information Science,

- Business Science,
- Science and Mathematics,
- Engineering or Commercial LLB

NB!! Only first year Actuarial Science students already at university will be considered.

Academic selection criteria:

- Applicants currently in Grade 12 and applicants already in possession of a National Senior certificate should have obtained at least 50% in all their subjects with a minimum of 70% in Mathematics (not Maths Literacy) and 70% in English.

NB: Please apply timeously for admission to the educational institution of your choice. Consult the websites of the universities for application deadlines.

Investec is involved in initiatives that support learners from township and rural schools, who show good academic potential, particularly in the fields of Maths and Science, to attend top performing high schools.

When completing the application form, please clearly specify the exact degree programme for which you need a bursary, the name of the educational institution where you plan to study and the year of study.

Bursaries will only be offered to applicants who are currently in Grade 12 or in their first year of University.

Changing your degree programme after submitting your application form may lead to a cancellation of the bursary, if granted.

No bursaries are available for private tertiary institutions.

Transnet: Bursary / Scholarship Programme 2019

Transnet: Bursary / Scholarship Programme 2019

Closing Date: 31 July 2018

As part of our human capital development strategy, we are offering bursaries to B.Eng or B.Sc. Engineering students. This aligns to address Transnet's skills needs in support of the Company's Market Demand Strategy. Bursary Application (B.Eng or B S c Eng ineering)

Minimum Requirements

Grade 12 Learners (SA Citizens) with outstanding achievements, with a minimum five symbol in English, Mathematics and Physical Science and students currently studying towards B . Eng or BSc Engineering are encouraged to apply for one of our comprehensive bursaries in the following disciplines:

- Civil
- Mechanical
- Electrical (Heavy Current)
- Industrial
- Electronic

- Metallurgy (Physical)
- Computer Engineering
- Mechatronics
- Electro – technical
- Technical Project

How to Apply

[Download Application Form](#) and forward your completed application to: bursaries@transnet.net / fax: (011 774 9235)

If you have not been contacted by 31 October 2018, consider your application as unsuccessful

Funza Lushaka: Teaching Bursary / Scholarship Programme 2019

Funza Lushaka: Teaching Bursary / Scholarship Programme 2019

download the application form now

Closing dates:

Re-applications close on **16 November 2018;**

New applications close on **11 January 2019.**

The Funza Lushaka Bursary Programme is a multi -year programme that promotes teaching in public schools. Full cost bursaries are available to enable eligible students to complete a full teaching qualification in an area of national priority. Recipients of these bursaries will be required to teach at a public school for the same number of years that they receive the bursary.

Qualified recipients of the bursary must request placement in a province of their choice. The provincial education department (PED) concerned will determine if there is a suitable post available. If there is not, the applicant may be placed in a PED that does not have suitable vacancies.

Selection criteria include the following:

- The applicant's academic ability;
- Eligibility for an approved degree or PGCE in two of the priority areas;
- Commitment to a teaching career, which includes: interest in working with young people; enthusiasm for a professional career in teaching; readiness to face and surmount difficult challenges; and personal integrity;
- Commitment to teach in any school to which a student may be appointed by a PED.
- Everything else being equal, selection should favour candidates from rural areas, candidates who wish to teach in rural areas and candidates whose financial position would otherwise exclude them from enrolment for a teaching qualification.

The Priority Areas Are:

<p>Foundation phase (i.e. Grades R-3): Foundation phase specialization in an Indigenous African Language.</p>
<p>Intermediate and Senior Phase (i.e. Grades 4-9): A teaching major in two of the following: Mathematics; Natural Science; Technology.</p>
<p>FET phase (i.e. Grades 10-12): A teaching major in two of the following: Accounting; Agricultural Sciences; Agricultural Technology; Civil Technology; Computer Applications Technology; Economics; Electrical Technology; Engineering Graphics and Design; Geography; Information Technology; Life Sciences; Mathematics; Mechanical Technology; Physical Sciences.</p>

What the bursary covers

Funza Lushaka bursaries cover all the recipient's essential expenses. Expenses covered include tuition, full accommodation including meals, books and learning materials, and a small allowance for monthly living expenses. The allocation to any individual student is capped at a specific value. Where the HEI charges more than the capped value the bursars will have to top up from own funds. Universities have different cost structures, so the total value of a bursary differs from institution to institution.

Conditions For Repeating A Year

The bursary period may be extended to cover one additional year in a degree programme, or the time required for completion of one additional course in the PGCE programme. Only one such extension will be granted. Funding for an additional year of study (i.e. 5th year) is not automatic and will be considered on a case by case basis. In cases where support is provided for an additional year, the service obligation for the student is extended by a year. Any additional time required will be at the recipient's own cost. The bursary is renewable for one academic year at a time. On proof of academic success the bursary may be renewed each year until the recipient of the bursary has qualified as a teacher.

Conditions For Repayment Of The Bursary

The bursary must be repaid only if the recipient fails to qualify, fails to apply for a teaching post with a PED at a public school, fails to take up a teaching post with a PED at a public school, leaves a teaching post with a PED before the end of the contracted service period, or otherwise fails to meet a requirement of the bursary agreement.

How To Apply

You need to apply for admission to a teaching qualification (B Ed or PGCE) or a Bachelors degree (e.g. BSc, B Tech, BA) with at least one major course in a priority area at a university of your choice. Once you have gained admission at a university, you are required to apply for the bursary via this Internet website:

- [First-time Applications: Apply for the Funza Lushaka: Teaching Bursary Programme](#)
- [Re-Applications: Apply for the Funza Lushaka: Teaching Bursary Programme](#)

The bursary is awarded for one academic year at a time and, on proof of academic success, the bursary may be renewed each year until the recipient of the bursary has qualified as a teacher. The bursary holder will be required to re-apply by the end of October for the following year. Recipients of bursaries will be required to teach one year for every year for which they receive a bursary.

[WC Government: Bursary / Scholarship Programme 2019](#)

Closing Date: 28 September 2018

The **Western Cape Provincial Treasury** is committed to **creating opportunities** for the youth and to address critical skills shortages in the fields of **Economics, Accounting, Finance and Auditing**. In 2008 we launched a bursary programme to provide our youth with the opportunity to access tertiary education through bursaries.

Bursaries are available to Grade 12 learners and post- and

undergraduate students interested in pursuing careers in:

- **Economics**
- **Accounting**
- **Finance**
- **Auditing**

To qualify for a full-time bursary from the Provincial Treasury, you need to meet the following requirements:

- Be a **South African citizen** who resides in the Western Cape.
- Be between **17 and 35** years' old.
- Obtained an average of **60%** or higher for the previous year of study at high school or university.
- Not in receipt of any other bursaries.
- (if a postgraduate applicant) already obtained a B. Degree within one or more of the targeted fields of study.

People with disabilities are encouraged to apply for a bursary.
