Funza Lushaka: Teaching Bursary / Scholarship Programme 2019

Funza Lushaka: Teaching Bursary / Scholarship Programme 2019

Closing Date: 11 January 2019 (New applications)

Closing Date: 16 November 2018 (Re-applications)

The Funza Lushaka Bursary Programme is a multi -year programme that promotes teaching in public schools. Full cost bursaries are available to enable eligible students to complete a full teaching qualification in an area of national priority. Recipients of these bursaries will be required to teach at a public school for the same number of years that they receive the bursary.

Qualified recipients of the bursary must request placement in a province of their choice. The provincial education department (PED) concerned will determine if there is a suitable post available. If there is not, the applicant may be placed in a PED that does not have suitable vacancies.

Selection criteria include the following:

- The applicant's academic ability;
- Eligibility for an approved degree or PGCE in two of the priority areas;
- Commitment to a teaching career, which includes: interest in working with young people; enthusiasm for a professional career in teaching; readiness to face and surmount difficult challenges; and personal integrity;
- Commitment to teach in any school to which a student may be appointed by a PED.
- Everything else being equal, selection should favour candidates from rural areas, candidates who wish to teach in rural areas and candidates whose financial position would otherwise exclude them from enrolment for a teaching qualification.

The Priority Areas Are:

<p>Foundation phase (i.e. Grades R-3): Foundation phase specialization in an Indigenous African Language.</p>
--

Intermediate and Senior Phase (i.e. Grades 4-9):A teaching major in two of the following: Mathematics; Natural Science; Technology.

FET phase (i.e. Grades 10-12): A teaching major in two of the following: Accounting; Agricultural Sciences; Agricultural Technology; Civil Technology; Computer Applications Technology; Economics; Electrical Technology; Engineering Graphics and Design; Geography; Information Technology; Life Sciences; Mathematics; Mechanical Technology; Physical Sciences.

What the bursary covers

Funza Lushaka bursaries cover all the recipient's essential expenses. Expenses covered include tuition, full accommodation including meals, books and learning materials, and a small allowance for monthly living expenses. The allocation to any individual student is capped at a specific value. Where the HEI charges more than the capped value the bursars will have to top up from own funds. Universities have different cost structures, so the total value of a bursary differs from institution to institution.

Conditions For Repeating A Year

The bursary period may be extended to cover one additional year in a degree programme, or the time required for completion of one additional course in the PGCE programme. Only one such extension will be granted. Funding for an additional year of study (i.e. 5th year) is not automatic and will be considered on a case by case basis. In cases where support is provided for an additional year, the service obligation for the student is extended by a year. Any additional time required will be at the recipient's own cost. The bursary is renewable for one academic year at a time. On proof of academic success the bursary may be renewed each year until the recipient of the bursary has qualified as a teacher.

Conditions For Repayment Of The Bursary

The bursary must be repaid only if the recipient fails to qualify, fails to apply for a teaching post with a PED at a public school, fails to take up a teaching post with a PED at a public school, leaves a teaching post with a PED before the end of the contracted service period, or otherwise fails to meet a requirement of the bursary agreement.

How To Apply

You need to apply for admission to a teaching qualification (B Ed or PGCE) or a Bachelors degree (e.g. BSc, B Tech, BA) with at least one major course in a priority area at a university of your choice. Once you have gained admission at a university, you are required to apply for the bursary via this Internet website:

- [First-time Applications: Apply for the Funza Lushaka: Teaching Bursary Programme](#)
- [Re-Applications: Apply for the Funza Lushaka: Teaching Bursary Programme](#)

The bursary is awarded for one academic year at a time and, on proof of academic success, the bursary may be renewed each year until the recipient of the bursary has qualified as a teacher. The bursary holder will be required to re-apply by the end of October for the following year. Recipients of bursaries will be required to teach one year for every year for which they receive a bursary.

Buffalo City: Bursary / Scholarship Programme 2019

Closing Date: 31 October 2018

The Municipality is offering financial assistance to students, in the form of study bursaries for the 2019 academic year. This is an Executive Mayoral driven initiative which is done as part of Buffalo City Metropolitan Municipality's development of human capital, and applications are invited from students of previously disadvantaged backgrounds. The Bursary Fund is intended to assist current or prospective students and shall be used towards covering tuition and registration fees, prescribed books, study material and accommodation. Successful applicants are expected to study full time at any accredited South African Tertiary institution preferably Eastern Cape based in 2019.

The following fields of study are considered:

- Mechanical Engineering
- Quantity Surveyors
- Building
- Microbiology
- Economics
- Electrical Engineering
- Town and Regional Planning
- Architecture
- Biochemistry
- Accounting
- Civil Engineering
- Facilities Management
- Land Surveying
- Analytical Chemistry

Successful applicants are expected to study full time at any accredited South African Tertiary Institution preferably

Eastern Cape based in 2019. Preference will be given to students who have been admitted to a TVET College.

WHO MUST APPLY?

Students must be a bona fide resident of Buffalo City Metropolitan Municipality. Applicants must:

- Be South African citizens, permanently residing in Buffalo City Metropolitan Municipality
- Have a proof of residence when applying for the bursary.
- Provide proof of income of their family household.
- Be willing to work within Buffalo City after completing their studies.

SELECTION

The student must have a matric with at least a D (50-59%) in English, C (60-69%) in Maths, Accounting and Physical Science OR NCV Level 3 Certificate with Mathematics. Selection criteria is based strictly on academic merit and successful applicants are able to renew their bursaries annually based on their academic performance in the previous year. The bursary fund has a clear bias towards underprivileged individuals and is targeting young people from 14 – 35 years of age. The Municipality is committed to advancing Employment Equity including persons with disabilities and encourages students with disabilities to apply to the Bursary Fund, Buffalo City Metropolitan Municipality wishes to advise that students are personally responsible for their admission to a tertiary institution.

Certified copies of the following documents must accompany applications:

- Most recent academic record
- South African Identity Document and proof of residency in Buffalo City Municipality or a letter confirming residency from the ward councillor.

How To Apply

Application forms are available at any Buffalo City Metropolitan Municipality Youth Advisory Centers within the Community Support Centers in Buffalo City Metropolitan Municipality, i.e. Mdantsane Library Complex, King William's Town Civic Centre, Duncan Village Art Centre and in East London Trust Centre Building 7 Floor office number 706.

Completed applications can be hand delivered to the Human Resources Department, Buxton House, Buxton Street or posted to the Human Resources Department P.O.Box 134 East London, 5200.

Please note that no late applications will be considered and if you have not been contacted regarding your bursary application before 14 December 2018, your application has been unsuccessful. For more information related to the bursary, please contact: Nandi Jaji 043 705 1013 0025096

Shortlisted candidates will be contacted by 30 November 2018 for a personal interview.

Limpopo Dept of Public Works: Bursary / Scholarship Programme 2019

Closing Date: 31 October 2018

Limpopo Province experiences a shortage of qualified Engineers, Technicians and other needed scarce skills to establish, maintain and manage Government of fice buildings, efficiently .

For any enquiries call Ms. Morongwe Madisha on (012) 444 3860 and Ms Olga Sedibe (012) 444 3309

Reserve Bank: Bursary / Scholarship Programme 2019

Closing Date: 30 September 2018

The South African Reserve Bank (the Bank), as part of addressing the severe shortage of skills in South Africa, provides bursaries to students in relevant fields of study who are from disadvantaged backgrounds.

The purpose of the bursary scheme is to assist financially needy students who obtain good results in Matric/Grade 12 and who want to study in fields relevant to the Bank.

The bursary is intended for undergraduate studies at a South African university on a full-time basis.

2. Studies for which bursaries will be granted

The studies that students intend to pursue shall have a bearing on, and be applicable to, the functions and activities of the Bank. (For more information on the Bank, visit the Bank's website: www.reservebank.co.za). This includes, for example, *Economics, Actuarial Sciences, Mathematical Statistics, Information Technology, Finance, Law and Accounting*, and excludes for example, *Medicine, Dentistry and Social Work*.

A bursary will be granted from the first academic year and reviewed annually. Bursary holders need not reapply for the bursary each year. The total number of students and related bursary costs will be reviewed annually.

The Bank will provide students who are Bank bursary holders, vacation work opportunities that are funded by the Bank.

3. Criteria for awarding bursaries

Over and above the criteria set out in paragraphs 1 to 3 above, the following will be used as guidelines in the awarding of bursaries:

- Bursaries will be awarded to students who obtain 70 per cent in the June Matric/Grade 12 examinations with final awarding subject to final results and enrolment acceptance at a South African university
- Bursaries will be awarded to South African citizens only.
- Only students who would not have the means of attending university, had it not been for a bursary, would be considered.

4. Post-bursary obligations

The Bank will have first right of refusal with regard to funded students, that is, bursary holders will be obliged to work for the Bank after completion of their studies, unless the Bank chooses not to employ them.

Students who choose not to work for the Bank despite the Bank offering them a position after completing their studies will be required to pay the full cost of the bursary back to the Bank.

How To Apply

The closing date for submission of applications shall be 30 September of each year.

Examination results, university enrolment form (student number) and any other supporting documents must be submitted with the application form. Completed application forms must be **emailed** to:

applications@careerwise.co.za

Or **posted** to:

Mr John Legoete

P.O. Box 30632

BRAAMFONTEIN

2017

5. Submission of examination results by bursary holders

Bursary holders will be required to submit their examination results before 31 December of each year, regardless of whether or not they will be awarded a bursary for the following year.

6. Bursary agreement

Potential bursary students will be required to avail

themselves to be interviewed and to be tested.

Successful applicants(s) for the bursary will be expected to sign an agreement with the Bank.

[External Bursary Application Form](#) | [External Bursary Opportunity – 2019](#)

APPLICATION FOR A CYRIL RAMAPHOSA EDUCATION TRUST BURSARY

In 1996, Cyril Ramaphosa began supporting a small number of disadvantaged students with bursaries, so that they can attend university. He did this by donating the money he earned

through his various public speaking engagements. These acts of kindness and generosity officially became the Cyril Ramaphosa Education Trust (CRET) in 2000

Some 21 years after Cyril sponsored his first bursary, a spectacular (and growing!) hall of fame exists, filled with CRET-enabled graduates, whose dreams of becoming highly-qualified professionals have come true.

HOW TO APPLY

[CLICK HERE TO DOWNLOAD APPLICATION FORM](#)

All students attend intensive holiday work experience programmes twice a year, where they get additional soft skills training and networking opportunities.

Students are exposed to team-building activities, personal development and, most importantly, a supportive and cohesive family environment, which is where we believe the CRET programme really shines.

CRET encourages students to embrace the ethos of “paying it forward”. They are reminded to never forget where they came from, and to consider the multitude of others in need. To ensure a culture of social responsibility is ingrained in our students, we set them up to work at selected welfare organisations during their holidays, while they are also tasked with distributing donations of clothes, food and other essentials within the disadvantaged community.

Furthermore, senior CRET students and alumni take on the roles of mentors to new students, while others contribute financially to the programme. Some have even gone on to implement their own corporate bursary programmes.

The story of CRET is not only one of incredible youngsters growing into incredible individuals, but one of how change can affect the future skill set of the South African youth through

support, mentoring and nurture.

IMPACT

CRET has proven how seemingly out-of-reach dreams can come true through providing support to the disadvantaged youth.

Here is what some CRET alumni have had to say about the programme, in their own words:

Funza-Lushaka Bursary for 2019

Department of Education is looking for 4 960 Matriculants to be trained as Teachers

Teaching Bursary / Scholarship Programme

Funza Lushaka: Teaching Bursary / Scholarship Programme 2019

Funza Lushaka
BURSARY SCHEME
www.funzalushaka.doe.gov.za

www.funzalushaka.doe.gov.za

The Funza Lushaka Bursary Programme is a multi -year programme

that promotes teaching in public schools. Full cost bursaries are available to enable eligible students to complete a full teaching qualification in an area of national priority. Recipients of these bursaries will be required to teach at a public school for the same number of years that they receive the bursary.

Qualified recipients of the bursary must request placement in a province of their choice. The provincial education department (PED) concerned will determine if there is a suitable post available. If there is not, the applicant may be placed in a PED that does not have suitable vacancies.

Selection criteria include the following:

- The applicant's academic ability;
- Eligibility for an approved degree or PGCE in two of the priority areas;
- Commitment to a teaching career, which includes: interest in working with young people; enthusiasm for a professional career in teaching; readiness to face and surmount difficult challenges; and personal integrity;
- Commitment to teach in any school to which a student may be appointed by a PED.
- Everything else being equal, selection should favour candidates from rural areas, candidates who wish to teach in rural areas and candidates whose financial position would otherwise exclude them from enrolment for a teaching qualification.

The Priority Areas Are:

Foundation phase (i.e. Grades R-3): Foundation phase specialization in an Indigenous African Language.
Intermediate and Senior Phase (i.e. Grades 4-9): A teaching major in two of the following: Mathematics; Natural Science; Technology.

FET phase (i.e. Grades 10-12): A teaching major in two of the following: Accounting; Agricultural Sciences; Agricultural Technology; Civil Technology; Computer Applications Technology; Economics; Electrical Technology; Engineering Graphics and Design; Geography; Information Technology; Life Sciences; Mathematics; Mechanical Technology; Physical Sciences.

What the bursary covers

Funza Lushaka bursaries cover all the recipient's essential expenses. Expenses covered include tuition, full accommodation including meals, books and learning materials, and a small allowance for monthly living expenses. The allocation to any individual student is capped at a specific value. Where the HEI charges more than the capped value the bursars will have to top up from own funds. Universities have different cost structures, so the total value of a bursary differs from institution to institution.

Conditions For Repeating A Year

The bursary period may be extended to cover one additional year in a degree programme, or the time required for completion of one additional course in the PGCE programme. Only one such extension will be granted. Funding for an additional year of study (i.e. 5th year) is not automatic and will be considered on a case by case basis. In cases where support is provided for an additional year, the service obligation for the student is extended by a year. Any additional time required will be at the recipient's own cost. The bursary is renewable for one academic year at a time. On proof of academic success the bursary may be renewed each year until the recipient of the bursary has qualified as a teacher.

Conditions For Repayment Of The Bursary

The bursary must be repaid only if the recipient fails to qualify, fails to apply for a teaching post with a PED at a

public school, fails to take up a teaching post with a PED at a public school, leaves a teaching post with a PED before the end of the contracted service period, or otherwise fails to meet a requirement of the bursary agreement.

How To Apply

You need to apply for admission to a teaching qualification (B Ed or PGCE) or a Bachelors degree (e.g. BSc, B Tech, BA) with at least one major course in a priority area at a university of your choice. Once you have gained admission at a university, you are required to apply for the bursary via this Internet website:

- [First-time Applications: Apply for the Funza Lushaka: Teaching Bursary Programme](#)
- [Re-Applications: Apply for the Funza Lushaka: Teaching Bursary Programme](#)

The bursary is awarded for one academic year at a time and, on proof of academic success, the bursary may be renewed each year until the recipient of the bursary has qualified as a teacher. The bursary holder will be required to re-apply by the end of October for the following year. Recipients of bursaries will be required to teach one year for every year for which they receive a bursary.

Investec Bursary Scholarships 2019

Investec Bursary Scholarships 2019

Grade 12s or in their first year of University can apply

Investec offers a full bursary per year towards study-related expenses. Bursaries will only be offered to applicants who are currently in Grade 12 or in their first year of University.

Investec Bursary Scholarships

Our CSI strategy is aimed at facilitating the empowerment of talented individuals within a defined continuum of interventions including bursaries and other programmes through school and university to the workplace, so that they may realise their potential.

Instructions for submission of application forms

Applications will only be considered if completed in full and signed by the applicant and if all the supporting documents have been included.

- Documents that accompany the application form must be certified
 - South African ID
 - Grade 11 results
 - This year's June results (or your latest results if you are not studying this year)
 - Official Matric/ NSC results if you have completed Grade 12
 - Tertiary students: June results or progress report of

all subjects (if no examinations were written)

- Payslips for your parent(s)/ guardian if employed (or letter from employer and sworn statement or tax return statement stating income)
- Latest financial statements if your parent/ guardian is self-employed
- Sworn affidavits if your parent(s)/ guardian is/ are unemployed
- Death certificates if your parent(s) is/ are deceased
- Divorce certificate if your parents are divorced
- Sworn statement from one parent if your parents are separated

Selection criteria for selected educational institutions

The main criteria for the selection of applications are financial need and academic potential.

Bursary applications are invited from young people who aim to study full time towards an undergraduate university (academic) degree in:

- Commerce (Economics, Business Economics, Accounting, Investments and Finance),
- BCom Informatics,
- BSc Computer Science,
- BSc Information Technology,
- BIT-Bachelors of Information Technology,
- BIS-Bachelor of Information Science,
- Business Science,
- Science and Mathematics,
- Engineering or Commercial LLB

NB!! Only first year Actuarial Science students already at university will be considered.

Academic selection criteria:

- Applicants currently in Grade 12 and applicants already

in possession of a National Senior certificate should have obtained at least 50% in all their subjects with a minimum of 70% in Mathematics (not Maths Literacy) and 70% in English.

NB: Please apply timeously for admission to the educational institution of your choice. Consult the websites of the universities for application deadlines.

Investec is involved in initiatives that support learners from township and rural schools, who show good academic potential, particularly in the fields of Maths and Science, to attend top performing high schools.

When completing the application form, please clearly specify the exact degree programme for which you need a bursary, the name of the educational institution where you plan to study and the year of study.

Bursaries will only be offered to applicants who are currently in Grade 12 or in their first year of University.

Changing your degree programme after submitting your application form may lead to a cancellation of the bursary, if granted.

No bursaries are available for private tertiary institutions.
