Funza Lushaka: Teaching Bursary / Scholarship

Programme 2018

Today (**12 January 2018**) is the last day for funza lushaka bursary new applications , please apply now

Closing Date: 12 January 2018 (New applications)

Closing Date: 17 November 2017 (Re-applications)

The Funza Lushaka Bursary Programme is a multi -year programme that promotes teaching in public schools. Full cost bursaries are available to enable eligible students to complete a full teaching qualification in an area of national priority. Recipients of these bursaries will be required to teach at a public school for the same number of years that they receive the bursary.

Qualified recipients of the bursary must request placement in a province of their choice. The provincial education department (PED) concerned will determine if there is a suitable post available. If there is not, the applicant may be placed in a PED that does not have suitable vacancies.

Selection criteria include the following:

- The applicant's academic ability;
- Eligibility for an approved degree or PGCE in two of the priority areas;
- Commitment to a teaching career, which includes: interest in working with young people; enthusiasm for a professional career in teaching; readiness to face and surmount difficult challenges; and personal integrity;
- Commitment to teach in any school to which a student may be appointed by a PED.
- Everything else being equal, selection should favour candidates from rural areas, candidates who wish to teach in rural areas and candidates whose financial position would otherwise exclude them from enrolment for

a teaching qualification.

The Priority Areas Are:

Foundation phase (i.e. Grades R-3): Foundation phase specialization in an Indigenous African Language.

Intermediate and Senior Phase (i.e. Grades 4-9): A teaching major in two of the following: Mathematics; Natural Science; Technology.

FET phase (i.e. Grades 10-12): A teaching major in two of the following: Accounting; Agricultural Sciences; Agricultural Technology; Civil Technology; Computer Applications Technology; Economics; Electrical Technology; Engineering Graphics and Design; Geography; Information Technology; Life Sciences; Mathematics; Mechanical Technology; Physical Sciences.

What the bursary covers

Funza Lushaka bursaries cover all the recipient's essential expenses. Expenses covered include tuition, full accommodation including meals, books and learning materials, and a small allowance for monthly living expenses. The allocation to any individual student is capped at a specific value. Where the HEI charges more than the capped value the bursars will have to top up from own funds. Universities have different cost structures, so the total value of a bursary differs from institution to institution.

Conditions For Repeating A Year

The bursary period may be extended to cover one additional year in a degree programme, or the time required for completion of one additional course in the PGCE programme. Only one such extension will be granted. Funding for an additional year of study (i.e. 5th year) is not automatic and will be considered on a case by case basis. In cases where

support is provided for an additional year, the service obligation for the student is extended by a year. Any additional time required will be at the recipient's own cost. The bursary is renewable for one academic year at a time. On proof of academic success the bursary may be renewed each year until the recipient of the bursary has qualified as a teacher.

Conditions For Repayment Of The Bursary

The bursary must be repaid only if the recipient fails to qualify, fails to apply for a teaching post with a PED at a public school, fails to take up a teaching post with a PED at a public school, leaves a teaching post with a PED before the end of the contracted service period, or otherwise fails to meet a requirement of the bursary agreement.

How To Apply

You need to apply for admission to a teaching qualification (B Ed or PGCE) or a Bachelors degree (e.g. BSc, B Tech, BA) with at least one major course in a priority area at a university of your choice. Once you have gained admission at a university, you are required to apply for the bursary via this Internet website:

- [First-time Applications: Apply for the Funza Lushaka: Teaching Bursary Programme](#)
- [Re-Applications: Apply for the Funza Lushaka: Teaching Bursary Programme](#)

The bursary is awarded for one academic year at a time and, on proof of academic success, the bursary may be renewed each year until the recipient of the bursary has qualified as a teacher. The bursary holder will be required to re-apply by the end of October for the following year. Recipients of bursaries will be required to teach one year for every year for which they receive a bursary.

The Funza Lushaka Bursary

The Funza Lushaka Bursary Programme is a multi-year programme to promote teaching as a profession. Bursaries are available to enable eligible students to complete a teaching qualification in an area of national priority. Recipients of these bursaries will be required to teach at a public school for the same number of years that they received the bursary.

Recipients of the bursary must apply on-line for the bursary in every year. The recipient must also complete the placement information as required in every year. The provincial education department (PED) will place a graduate bursar in a suitable teaching post. If a particular PED does not have a suitable teaching post for the graduate bursar, the applicant may be placed in a PED that does have a suitable post. Please note that bursars cannot choose the school in which they would like to be placed and placement cannot be deferred for any reason.

Read these conditions carefully, and if you agree with them, press the “I accept” button at the end.

1. The bursary is only awarded to South African citizens with a valid South African ID number.
2. Allocation of Funza Lushaka bursaries to Higher Education Institution employees, their spouse and their dependents/children is not permissible.
3. Bursary applicants must already have been accepted into a either BEd or PGCE qualification at an accredited public University. The applicant must also meet the

national selection criteria for the Funza Lushaka bursary.

4. The bursary will only be awarded if **two** of the priority area subjects are included as a specialisation in the teaching qualification.
5. Please note that you are responsible for paying your registration fee, awaiting the outcome of the bursary application. **Paying for the registration fee, does not mean you will receive the bursary.**
6. The Bursary Selection Committee meets and processes all bursary applications during February and March of the academic year.
7. The Funza Lushaka Bursary Coordinator at the University will notify you, not later than 30 April, as to whether you have been awarded the bursary or not.
8. The bursary holder is not allowed to change the area of specialisation on which basis the bursary was awarded.
9. On qualifying, the bursar will be required to take up a provincial teaching post. The bursar will not be granted permission to defer this contractual obligation, for example, to continue with full-time Honours studies. Nor, will the bursar be granted permission to take a "gap year".
10. Bursars will be expected to have and retain an e-mail address and a cell phone contact number for the duration of the study for communication purposes.
11. The bursary must be repaid if the recipient fails to meet the requirements of the bursary agreement.
12. The amount that is repayable is the full amount of the bursary received under the programme, less one year's funding for every year spent teaching at a public school. Interest will be charged at the rate determined by the National Student Financial Aid Scheme (NSFAS) who administer financial aspects of the bursary on behalf of the Department of Basic Education.
13. The bursary is awarded for one academic year at a time. On proof of academic success, the bursary may be renewed

each year for the official duration of the qualification. The bursary holder will be required to re-apply from the 1st of October annually.

14. The applicant should demonstrate good academic ability;
15. The applicant must show commitment to a teaching career, which includes: interest in working with young people; enthusiasm for a professional career in teaching; readiness to face and surmount difficult challenges and personal integrity;

The priority areas are:

Foundation Phase(i.e. Grades R-3): *Foundation Phase (with preference for African Languages)*

Intermediate and Senior Phase(i.e. Grades 4-9):*Preference will be given for a teaching major in TWO of the following: Languages, Mathematics, Natural Science & Technology.*

FET phase (i.e. Grades 10-12): *Preference will be given for a teaching major in TWO of the following:*

Accounting; Agricultural Sciences; Agricultural Technology; Civil Technology; Computer Applications Technology; Economics; Electrical Technology; Engineering Graphics and Design; Geography; Information Technology; Life Sciences; Mathematics; Mechanical Technology; Physical Sciences, Languages, Technical Mathematics and Technical Science.

NB. *The above terms and conditions must be read, and the “I accept” button must be clicked before you will be allowed to proceed to the application pages.*
